Questions for any drone operator before you hire

Check each item off when it is settled.

- [ ] Can you show me your FAA Remote Pilot Certificate?
- [ ] Is the drone registered, and does it broadcast Remote ID?
- [ ] Is my venue or church in controlled airspace? When will you request the authorization?
- [ ] Have you asked the venue whether it allows drones and where you can take off?
- [ ] Which shots will you take and which won't you, so you don't fly over the guests?
- [ ] Can you fly at sunset or after dark with the lights the FAA requires?
- [ ] What happens if there's wind, dust or rain that day?
- [ ] Is all of this written into the contract?
